\$129, from *Ikea*.

# BARE GRILLES

*Tired of that wrought-iron headboard? Don't throw it out. Use it as a pretty room divider, a feature garden wall or a trellis for creeping plants.*

PHOTOGRAPHY *M Basheer* STYLING *Alvin Leow*

as a **trellis**

You don't have to ask Mary how her garden grows. By turning a wrought-iron headboard into a trellis, you can be sure the garden gets a burst of fresh greens.
