Germ-free – naturally

Protect yourself and your family with **Pure Water Tech's iWater Ozone Sanitization System** – an FDA-approved and proven state-of-the-art disinfection technology which can be easily installed in your home. This revolutionary system dispenses ozone – a combination of three oxygen atoms, known as the earth's most powerful cleansing agent – and is suitable for disinfecting your hands and sanitising all food and vegetables. Ozone destroys bacteria, viruses and infectious microbes in raw meat, dairy and fresh produce – without using synthetic chemicals or detergents.

Protect your family and your home from common infections such as Hand Foot and Mouth disease (HFMD), H1N1 virus, E.Colis, Salmonella, *Pseudomonas aeruginosa*, *Staphylococcus aureus*, MRSA, yeast, moulds, mildews and other contaminants. Ideal for the home, office and even schools, *iWater Ozone Sanitization System* taps into your existing water source and is activated via a hands-free motion sensor – simple and hygienic. **Tel: 6735 3623/9856 9977, www.iwaterasia.com, Email: info@iwaterasia.com**
